Ray –

Try again. I just logged out of the document.

So can only one person edit it at a time? Maybe that's why people are having trouble saving the file; maybe more than one person was accessing it at the same time.

Have a great day!

I'm in the office and I can't edit the file. It says "locked for editing by Lori Brunsman"...

I think the problem must have to do with accessing Sharepoint from home. It works fine here at the office.

Have a great day!

Maybe there's some code in there preventing us from editing. I don't know.

This still doesn't work for me. Does it work for anyone else? If it's not working I'm going to take it down. Please let me know.

Let's see if we're able to edit this version. This is Jess's file which has Cal's formatting edits. Please share this with anyone I missed on CARC.
